Friday Flyer – 10th February

Coffee Morning – thank you to all who came, the documents are now on the website. I plan to re-run these meetings after half term at a different time, so 5pm, this should give a different set of parents the chance to attend.

Bikeability Courses for safer cycling

West Sussex County Council Road Safety Team is running free 'Bike ability' courses over the Easter and Summer Holidays. These courses are excellent and will prepare your child for cycling on the roads, something we all worry about! Details and applications can be made via the link on the websites.
