Parents Coffee Morning

'Thank you' to the parents that were able to come along to the 'Spelling and Grammar' coffee morning on Wednesday, it was lovely to meet you. Hopefully it gave you ideas of ways to support your child's learning. I have produced information sheets for years 1/2, 3/4 and 5/6 – focussing on grammar and spelling. These are now available to download from

website – go to 'Quick links' on the homepage. We also have some printed out in the office, please pop in and ask if you are interested. The next coffee morning has a focus of maths, it is on **Tuesday 7th February** – younger children are welcome – we provide toys, books, and biscuits!

Please email me if you have suggestions for other events that you would like us to run - *education is a partnership between school and home!* head@gilesprimary.co.uk

Parish Eucharist

you are welcome to join in Sunday's formal village welcome to our head Mrs Douch at a special Parish Eucharist in the school hall at 10am.

Contact with Class Teachers

I am aware that parents sometimes need to communicate with teachers, and at times this can be problematic. To improve communication we have set up 'class emails' that teachers respond to directly. Please feel free to use these when you have a question or query that can be dealt with in this way. I would just ask you to ensure messages are **only sent between 8am and 5pm**. Teachers will try to respond either before or after school, they find it difficult to respond through the day as they are teaching. To preserve their home/life work balance I would ask you **not to email them at the weekends**. Thank you.
