

St Giles CofE Primary School

Friday Flyer – 10th March 2017

SCIENCE Week

A big thank you to everyone who has contributed to Science week, it's been amazing! The children have been full of enthusiasm and inspired to take a real interest in the subject, hopefully we have inspired a few children to pursue a science career in the future. I will keep a look out for famous scientist in the future and take some of the credit!

Thank you to all the parents for the wonderful costumes for dressing up day, very much enjoyed by all. And finally a really big **thank you** to staff, it wouldn't happen without all their hard work.

Morning drop off

As you will have noticed I like to be on the gate each morning to welcome children into school. In the light of this we are now requesting that you say goodbye to your children outside, or just in-side the big gate. We will no longer have a member of staff on the small gate by the building; this frees them up to welcome pupils into the classroom. The only exception to this is **OAK class**; parents are still welcome to deliver them to the classroom door to ensure they arrive safely. If, for any reason, I am unable to cover the front gate a member staff will do so for me. Should you have a message for your child's teacher please go to the office **via the front door**, they will ensure messages are delivered to the appropriate teacher. Teachers will be available at the end of the day (as normal) should you wish to have a quick word with them.

Note: pupils may be dropped off from 8.45 and the gate closes at 8.55.

Please remember we offer a **breakfast club** from Monday to Thursdays. Pupils are provided with a light breakfast and are organised to take part in various PE type activities. The bookings are half termly and should be booked by contacting www.premiersport.org

Playground Spring Clean – this Sunday (12th) 10-12 o'clock - bring a broom/secateurs/trowels etc.
All welcome – many hands make light work!

New playground for the Village – parish council news

The parish council are currently working on trying to replace and refurbish the recreation ground playground. Please visit their Facebook page to find out more and if you are happy to show your support please email "i support" to hkrecaid@gmail.com

The Facebook page is now live so if you would like more information please visit <https://www.facebook.com/HKrecaid>

Also if you know anyone that would like to donate to this cause please also pass on to them the email.

Let's give the children of Horsted Keynes the playground they deserve.

Sing Up Day

Wednesday 22nd March is national Sing-Up Day – Schools across the country will be holding 'singing assemblies'. Parents are warmly invited to attend – 9am in the school hall, please enter by the front door. Be warned by may be required to sing! All classes and the choir will be performing.
