

St Giles CofE Primary School

Friday Flyer – 17th November 2017

Dear Parents

Anti-bullying week has been a great success, children have learned a lot about kindness, respect and resilience. The work on anti-bullying and e-safety have helped pupils understand what bullying is, how to respond to it and how to keep safe in a range of different situations. During the week each child made a puzzle piece representing their uniqueness. This will build into a display showing how we all fit together, like a jigsaw, to make our special school community. This will be on display in the hall from the end of next week.

#ANTIBULLYINGWEEK

Pupil report from anti-bullying week

On Monday we had a brilliant assembly by Mrs Douch, it taught us that we are all special and unique but together we make something very special, our school! Monday was also 'World Kindness Day'. We were challenged to do kind things for children, staff and our families. On Tuesday we had another assembly and the lovely Mrs Taylor taught us about bullying and how to stop it. On Wednesday KS2 had a drama workshop, which was great fun and taught us lots. On Thursday we watched Maple class perform their incredible dances all about standing up to bullies.

This week I have learned:

- ✓ *Seeing bullying and doing nothing is bullying*
- ✓ *There are different types of bullying including physical bullying, mental bullying, indirect bullying, and cyber bullying.*
- ✓ *How to avoid cyber bullying and what to do if it happens*
- ✓ *How to ask for help*

Thank you to members of Sycamore class and Daniel Wintergold for this report.
